More coming?

Why is this relevant?

How do you 'show' the public the truth?

How do you 'safeguard' US elections post-POTUS?

How do you 'remove' foreign interference and corruption and install
US-owned voter ID law(s) and other safeguards?

It had to be this way.

Sometimes you must walk through the darkness before you see the
light.

darkness.

For this reason, it is necessary that all people of good will be persuaded of the epochal importance of the imminent election: not so much for the sake of this or that political program, but because of the general inspiration of your action that best embodies – in this particular historical context – that world, our world, which they want to cancel by means of the lockdown. Your adversary is also our adversary: it is the Enemy of the human race, He who is "a murderer from the beginning" (Jn 8:44).

Around you are gathered with faith and courage those who consider you the final garrison against the world dictatorship. The alternative is to vote for a person who is manipulated by the deep state, gravely compromised by scandals and corruption, who will do to the United States what Jorge Mario Bergoglio is doing to the Church, Prime Minister Conte to Italy, President Macron to France, Prime Minister Sanchez to Spain, and so on. The blackmailable nature of Joe Biden – just like that of the prelates of the Vatican's "magic circle" – will expose him to be used unilaterally, allowing illegitimate powers to interfere in both domestic politics as well as international balances. It is obvious that those who manipulate him already have someone worse than him ready, with whom they will replace him as soon as the opportunity arises.

Elf4vVpXUAE04fm.jpg

And yet, in the midst of this bleak picture, this apparently unstoppable advance of the "Invisible Enemy," an element of hope emerges. The adversary does not know how to love, and it does not understand that it is not enough to assure a universal income or to cancel mortgages in order to subjugate the masses and convince them to be banded like cattle. This people, which for too long has endured the abuses of a hateful and tyrannical power, is rediscovering that it has a soul; it is understanding that it is not willing to exchange its freedom for the homogenization and cancellation of its identity; it is beginning to understand the value of familial and social ties, of the bonds of faith and culture that unite honest people. This *Great Reset* is destined to fail because those who planned it do not understand that there are still people ready to take to the streets to defend their rights, to protect their loved ones, to give a future to their children and grandchildren. The leveling inhumanity of the globalist project will shatter miserably in the face of the firm and courageous opposition of the children of Light. The enemy has Satan on its side; He who only knows how to hate. But on our side, we have the Lord Almighty, the God of armies arrayed for battle, and the Most Holy Virgin, who will crush the head of the ancient Serpent. "If God is for us, who can be against us?" (Rom 8:31).

Mr. President, you are well aware that, in this crucial hour, the United States of America is considered the defending wall against which the war declared by the advocates of globalism has been unleashed. Place your trust in the Lord, strengthened by the words of the Apostle Paul: "I can do all things in Him who strengthens me" (Phil 4:13). To be an instrument of Divine Providence is a great responsibility, for which you will certainly receive all the graces of state that you need, since they are being fervently implored for you by the many people who support you with their prayers.

With this heavenly hope and the assurance of my prayer for you, for the First Lady, and for your collaborators, with all my heart I send you my blessing.

God bless the United States of America!
